

## *“Breamtime”* competition results

The 2009 bream competition was held on Sunday the 20<sup>th</sup> of December in light wind conditions for most of the morning, fishing was restricted the Hampton harbour. We had 4 boats and one land based bream fisherman and one female angler for a total of 10 entrants.

The bream seemed to be a little hard to pin down with a total of 10 bream caught, but there were many other species of fish caught during the morning to keep everyone entertained whilst in the pursuit of that elusive bream.

This year’s Breamtime world champion was Brownie with a total of 74cm with his combined length of three bream followed closely but not closely enough by Aaron P with 64cm with his combined three bream fish tally.

The day was finished with a BBQ cooked by master amateur chef, Reece. The remaining entry fee was then presented to Wayne “bushy” Brown, who kindly shared his winnings by buying drinks for the remaining anglers.

All in all an enjoyable morning was had by all.

The next event for the club is Fortesque Tagging Weekend Campout ran by Jay Wheelock (23-24<sup>th</sup> Jan). RSVPs for this comp are due in by Wednesday 20<sup>th</sup> Jan, please call Jay on 0428353203 to register.
