[AUTO-RESPONSE - PLEASE DO NOT REPLY]

Hi Ken,

It's Michael Guest here. Welcome to the 2010 Pirtek Fishing Challenge.

Once again, Pirtek are hosting Australia's biggest national fishing competition. It is open to everyone - mums, dads, kids and grandparents!

Thank you for your enthusiasm and involvement in the 2009 Challenge. The awareness and funds raised for the Prostate Cancer Foundation of Australia would not have been possible without your fantastic support.

On a personal note it was very pleasing to see everyday mum-and-dad fishers take home the cash and prizes.

The 2010 Challenge will take place on Sunday, 11 April with entries opening on 4 January and closing on 28 March, 2010, so lock these dates away in your diary.

This year we have some awesome prizes to giveaway just by entering.

NISSAN / LG MAJOR PRIZE DRAW

How does a 5 night winter getaway to Hotham Alpine Resort sound? Or a 50" HD Plasma TV and home theatre system?

Great right! Well thanks to our mates at Nissan and LG Electronics one of these could be yours.

For full terms and conditions please visit www.pirtekfishingchallenge.com.au and click on 'Terms and Conditions'. Nissan/LG Major Prize Draw: NSW LTPS/09/11453; ACT TP 09/05004; SA TBA; VIC TBA

JVC CLUB CHALLENGE

To further bolster participation and community spirit JVC will be hosting the JVC Club Challenge.

The club which enters the largest number of paid registrations in its State will win a JVC GZ-MS120A camcorder. There are eight to give away - one each for Victoria, Tasmania, Queensland, South Australia, Western Australia, Northern Territory and two for New South Wales/ACT.

Taking part in the JVC Club Challenge is easy. Simply ask the members of your Fishing Club to provide the full name of your Club in the space provided when registering for the challenge and your club is on its way to winning this great prize.

SPREAD THE WORD

Please pass this information to all active fishing clubs. Your club may even like to have a BBQ or combine a club outing with the Fishing Challenge. The more participants we have, the more funds and awareness we can raise for the Prostate Cancer Foundation of Australia.

This year's Fishing Challenge prize pool will give every State and Territory the chance to win 'BIG CASH' and terrific prizes. Pirtek together with Berkley, Lowrance and Evinrude have amassed a massive prize pool in excess of \$100,000.00. Please log on to www.pirtekfishingchallenge.com.au for full details and registration.

Remember the idea is to grab the family or a couple of mates for the day, have a great time fishing and raise a few dollars for the Prostate Cancer Foundation - and hopefully some big bucks for yourself!

Fight a fish to fight prostate cancer.

Michael Guest.

PS: We have attached the 2010 poster, so please pass it on to your friends.
